

## MENU

Table service is provided & we ask that during busy periods to please be patient. If you have an issue, please let us know, we can't solve any problems if you stay silent. Thank you for your understanding.

### Tapas (or use as starters)

Our favourite way to eat... 'pick and mix and share (or not)'. We suggest 5 different plates between 2 people, but you can always add more. A fun way to enjoy lots of flavours.
